SUMMARY

A passionate Web Developer driven by a desire to solve real problems with user-centered design and development. Known as a self-starter with a take-charge attitude; highly motivated to work in a fast-paced, collaborative environment. A creative, resourceful developer with good interpersonal and organizational skills.

TECHNOLOGIES

HTML	React.JS	Express.JS	RESTful and CRUD applications	Jira	Sketch
CSS	Redux	MongoDB	SASS/BEM	Terminal	InVision
JavaScript	Node.JS	ES6	Agile Methodology	Git	SEO

EXPERIENCE

Front End Developer (Freelance)

February 2019 - Present

Remote/ Toronto ON

- Developing, optimizing and maintaining responsive websites and applications utilizing React, HTML, CSS/SASS, Javascript, jQuery and various APIs to meet my clients' needs and goals.
- Prepare and develop UI/UX strategies and principles that include wireframes and mockups using Sketch for small businesses.
- Meeting and consult with the prospective clients to review website, and gather the client's specifications for new or existing websites.
- Revamped UI interface for existing customer-facing e-commerce site for a higher retention rate.
- Took over the existing site to complete work started by another developer.

Across Release Agent (Full-time)

June 2017 - April 2018

Farrow Ltd., Ayr ON

- Receive, check, and process customs documents specifically for Costco ocean vessels with being in the top 10% of my department for accuracy and strict deadlines.
- Frequently monitored job-specific computer programs for incoming customs documents and updates. Then verify paperwork and follow-up with Canada customs and external sources as needed.
- Effectively communicate management decisions to achieve understanding and acceptance to our clients.
- Used interpersonal and communication skills to build and maintain working partnerships with vendors, carriers, and Canada customs.
- Effectively communicate my own goals and interplay of ideas and concepts during monthly department meetings.
- Certified member of the Health and Safety Committee that contributed to monthly meetings and inspections.

Supervisor & Corporate Trainer (Full-time)

August 2015 - April 2017

Nando's Canada, Burlington ON

- Assisted in the interviewing process and decision making on hiring new candidates.
- In charge of the onboarding/orientation for the new employees, while making sure they understood Nando's compliance and policies.
- Recognized the important roles of responsibility, authority and accountability.
- Took part in daily meetings discussing team dynamics for greater performance and resolving interdepartmental conflicts.
- Took part in counting inventory, troubleshooting, and analyzing the cost of goods on a bi-weekly basis.
- Display sound judgment in managing and controlling expenses.
- Created and implemented strategic plans to improve profitability on reducing waste weekly.
- Ordered product from various vendors and finalized invoices daily while multitasking managing the workflow on the floor and in the kitchen.
- Led weekly meetings with the management team to discuss current business needs, adjustments, and concerns in order to achieve higher sales.
- Performed various office duties and lead the Joint Health and Safety Committee as a manager by overseeing inspections, meetings, monthly recommendations to improve the workplace and guest experience.
- Prepared information seminars on equipment and food safety, maintaining excellent guest journey and recovery, with extensive menu knowledge with hands-on training and attention to detail.
